TO WHOMSOEVER IT MAY CONCERN

Abhiveer Gulati has been an active member and supporter of the **Vasant Vihar Welfare Association** and its various projects and activities with regards to the environmental issues in the Vasant Vihar colony. Over the last few years in collaboration with VVWA, he has spearheaded and helped with the following initiatives: -

- Periodic colony check-ins during peak pollution months, on building constructions norms to ensure overall GRAP compliance and dust and malba reduction.
- Assisted the VVWA team in its periodic back-lanes, road maintenance and it's cleanliness drives;
- Renovation and maintenance of local park next to Tammana School in C block, Vasant Vihar.
- Took part in the main road traffic rosters and management meetings with C Block Market Association to discuss cleanliness & traffic routing;
- Was a regular volunteer at bi-annual GOONJ Camps held at the Kalyan Kendra (Vasant Vihar Community Centre) , for recycling clothes and other supplies in support of circular economy initiatives.

With his enthusiasm and initiatives, he has proven to be an active and result-oriented young man. This fervour and ability to get people to listen to him will be a great asset in his life.

I wish him well in all his educational and voluntary pursuits.

Ms. Mridula Murgai

Secretary

Vasant Vihar Welfare Association
