

Bharti Airtel
Foundation

Certificate of Appreciation

This is to certify that **Abhiveer Gulati**, a student of Vasant Valley School, New Delhi, India, has actively volunteered for various initiatives under the Bharti Airtel Foundation from 2020 to 2025.

His contributions include:

1. **Collecting old devices for refurbishing to enable continued online classes during COVID-19 (2020–2022).** His efforts ensured that dozens of underprivileged students could continue their online classes during the pandemic, bridging the digital divide at a critical time.
2. **Fundraising through the Tata Marathon (2021),** raising INR 20,000 towards essential learning resources for students from marginalized communities, enabling uninterrupted education.
3. **Supporting English and Hindi lessons** for 5th and 6th standard students (2020–2023) to help improve language proficiency and confidence among young learners, fostering communication skills.
4. **Developing a Student Engagement Activity Handbook to promote life skills and community engagement for school students (2024–2025).** The handbook serves as a good resource for activities to be referred to by student clubs and houses.
5. **Designing and conducting Anti-Bullying and Money Management sessions** for 5th and 6th standard students (2025–2026) to raise awareness and encourage positive, responsible behaviors among students.

Through these initiatives, Abhiveer has exhibited empathy and a strong sense of civic responsibility, making a meaningful impact on education and community well-being.
